New teams will be required to pay a Bond for their first season only. This may be refunded when the team decides to not reregister for a season in the future and has no outstanding fees or walkovers. Teams must lodge a Bond Refund Request Form within twelve months of leaving the competition, otherwise they forfeit the bond.

Door sheet- \$70.00 paid prior to every game at courtside office

Walkovers Fees:

If your team has to forfeit for any reason, DVBA must be notified as soon as possible. If the required notice is given, your team will pay the normal score sheet fee of \$70. An un-notified walkover requires your team to pay the score sheet fee of the opposition as well as your own.

To avoid a walkover fee of \$140 the following notification is required:

- | | |
|-------------------------------|----------------------|
| Sunday and Monday Night Games | by Friday 5pm prior |
| Wednesday Night Games | by Monday 5pm prior |
| Thursday Night Games | by Tuesday 5pm prior |

Walkover fees are to be paid within 7 days. If your team has outstanding walkover fees after the last round of competition, all match points will be stripped and your team won't qualify for finals.

Walkovers can be paid by credit card by contacting the office during business hours on 9432 4720.

Walkover fees are charged by DVBA to cover the cost of court hire and referees for games not played. We appreciate your understanding of the walkover process and compliance with our procedures.

Age:

Players must be over 16 years old.

Uniform:

Teams are to supply their own uniforms. Taping of numbers on singlet will not be permitted. In the case of a singlet clash, there are clash tops available in the courtside office to hire for a small charge. These are to be returned after the game.

Scoring

Teams must supply a competent scorer for their game prior to the match commencing and for the entire game. A competent scorer is based on the ability to be able to complete the scoresheet throughout the match.

A penalty of 6 points will be awarded against the team not providing a scorer for the whole game. A coach, participating in the game, may not act as a scorer.

In the case of neither team supplying a scorer; a player from each side will be permitted to score. If both teams have only five players, the game will commence with four players from each side. Neither team will be eligible to claim the 6 point penalty.

Competition Notes

Players are required to play a minimum of 7 games to qualify for finals.
New players cannot be registered in the last 7 rounds of competitions.

Players currently participating in NBL, WNBL, ABA and/or Big V can only play in A grade.

Please note that the Sin Bin rule will be applied for all Senior Domestic games.
See next page for further information.

Referee guidelines for implementation of “The Sin-Bin” rule for all DVBA Senior Domestic games.

Diamond Valley Basketball Association has decided to adopt the Sin Bin Rule. This rule is supported by Basketball Victoria and will be used throughout all Senior domestic competitions at Diamond Valley.

It is intended by the introduction of this rule to have fewer reports to the Tribunal, improved player conduct and increased enjoyment for all involved with the game.

The rule will be implemented as follows:

A Technical Foul or Unsportsmanlike Foul on a PLAYER:

- will result in that player being withdrawn from the game for a total of 5 minutes of playing time.
- The player may be substituted if a substitute is available.
- The score bench will be responsible for monitoring when the player entered the sin bin and when the player is eligible to return to the game. The player may return to the court through a normal substitution.
- On return to the playing court, if the player commits a similar indiscretion, a disqualifying foul may be applied with the normal penalty.

Answers to some possible questions:

Q. What if the second Technical Foul is for a ‘technical’ offence - eg. leaning over the line on a pass in?

A. The ‘sin bin’ option shouldn’t be applied.

Q. What if the foul occurs with one minute to go in the first half?

A. The player sits out the last minute, then the first 4 minutes of the second half. Similar reasoning would be applied to all intervals of play between periods.

Q. What if the foul occurs with 5 minutes or less to go in the second half?

A. The player is out for the remainder of the game

Q. What if a player refuses to leave the court?

A. Normal game rules apply - if a Junior, seek adult support. The player can be reported.

Q. What if the team only has 5 players?

A. Now they only have 4!

Q. What if the team only has 2 players Left and one is 'substituted' because of a 'Sin-Bin' infraction?

A: The game is over. The opposition wins by forfeit.

Q. What if the team calls a time out?

A. 5 minutes is a 'fixed time' during a playing period and any time outs are not included and therefore extend time on the bench.
