Vision And Mission

Vision

To be the leading basketball association in the Metropolitan Melbourne by supporting all participants to learn and develop new skills, refine elite skills and provide pathways for basketball excellence.

We will strive to be the heart of the community: a place where people can connect, be inspired, learn and grow through the game of basketball

An Association that measures its success by its ability to operate by and deliver outcomes that align with our values.

Mission

The Diamond Valley Basketball Association is a leading basketball Association in Melbourne's North. Its purpose is to provide a range of opportunities and programs to engage with the sport of basketball from entry to elite levels.

President's Report

In the last 12 months DVBA have moved out of Covid and into a new and exciting growth phase that has seen basketball grow and expand greatly in our region.

We are now in arguably the best position that the Association has ever been, with the following facts to back this up:

- 4,500 juniors playing basketball every week
- 570 junior domestic teams across 21 domestic clubs
- 10 venues being used every Saturday
- 220 senior domestic teams / 1,500 senior players playing every week
- 47 junior championship teams playing every Friday night

The reason we are in such a strong position is due to the leadership and foresight of our General Manager – Patrick Di Lizio who has done an outstanding job in leading the DVBA in the last 12 months along with the rest of the front office. Pat has continued to innovate, challenge, grow and above all else lead by example as he has taken the DVBA to new heights in the last 12 months. To the staff of the DVBA, a huge thank you for all your amazing work.

The DVBA Board have done a superb job over the last year and have put in countless hours of volunteer service which often goes unnoticed and unrecognised.

President's Report

Rob Boek (Vice President) who has been my right-hand man through these challenging times. Thank you for joining me on this ride 4 years ago and thanks for standing right there beside me during that time Andrew Williams (Treasurer) who has ensured we remain on track financially, you have done a fabulous job. Jonathan Halaliku (Secretary) who has helped manage our Association at the Board level and all the administration that comes with it. Stephen Martorella / Mel Paino / Kate Coen / Andrew Harris / Carleigh Egan (Board members) who have put their hands up whenever asked and gone above and beyond. Special mention to Mel Paino who has done a fantastic job managing our Child safety.

I also want to make special mention of our referee's program, headed by Cathryn Lowe and Ian Pike who have done an amazing job in 2022.

I would like to thank all the domestic clubs here at DV who have supported us over the last 12 months. The domestic clubs continue to run great events, they celebrate their club's history in such a great way and they offer a great product for all our young basketball players in our community!

A big thank you to everyone who has supported us in the last 12 months, and we look forward to a continued bright future for the DVBA.

Stuart Callaghan
President

General Manager's Report

It's been an amazing 12 months at the DVBA with many positive changes and structure that will hold us in great stead for the future. The clubs continue to be the backbone of the association, and the support has been amazing in everything we are doing on a daily basis, to make this basketball community stronger, more inclusive, and higher performing than ever.

In the past 12 months we have introduced Walking Basketball and Ausome Hoops to our inclusive basketball opportunities with great success, opening the door to basketball for more and more people in the community.

Our Youth in Basketball Program has been a tremendous success, with 60 young basketballers aged 14-20 getting their coaching, refereeing and statistician accreditations paid for. These 'Youthies' have also been given work opportunities via on-court coaching and senior champ game day work, introducing them to the other side of basketball for the first time.

Our Administration Training series gave volunteers upskilling and training to make them more confident in their ability to run their club. The six-part series is still available online as an ongoing resource for clubs.

We increased our sponsorship in 2022 by 50%, welcoming new local business as partners of our community. We maintain strong relationships with all these partners in 2023.

GM's Report

2022 also saw our inaugural 3x3 tournament, with over 100 teams participating in a two-day event that received overwhelmingly positive feedback.

Our referee program continues to shine with only 2% of solos and a record number of referees on our books with a super high retention rate. The culture of the program is a testament to the work of Ian Pike and Cathryn Lowe, as we continue to plan for the future and improve the quality of our current cohort.

We have amazing coaches and rosters leading the way in our senior champ program. Dee Butler, Trevor Lee, Corey Michailidis and Mike Torres have introduced a culture of accountability and professionalism.. All their assistants are from DVBA as are a high number of players on the rosters.

I believe we have built a strong and cohesive front office staff. Matt Stewart in particular has been a great 2IC, growing and improving all the time. All the staff continue to go above and beyond to make this great association even greater. I'd also like to acknowledge the work of Kym West and Raquel Connell, who have moved on from some great work here at DVBA.

The board continues to do a phenomenal job here at DVBA. Led by Stuart Callaghan, their passion and professional standards remain at a high level, ensuring the front office are supported and also held to account for the delivery of the high-level service we provide the basketball community.

Thanks again to all the clubs and volunteers for their amazing work and I look forward to working with you further in 2023.

Patrick Di Lizio
General Manager

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Reporting Framework

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012 Victoria. The committee has determined that the association is not a reporting entity.

Basis of Preparation

The financial statements have been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

(a) Income Tax

The association is tax exempt as it:

- is a not-for-profit association
- is established for the encouragement of a sport
- is not a charity, and
- has a physical presence in Australia

Deferred income tax expense reflects movements in deferred tax asset and deferred tax liability balances during the year as well unused tax losses.

Current and deferred income tax expense (income) is charged or credited outside profit or loss when the tax relates to items that are recognised outside profit or loss or arising from a business combination.

Except for business combinations, no deferred income tax is recognised from the initial recognition of an asset or liability where there is no effect on accounting or taxable profit or loss.

A deferred tax liability shall be recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from:

- (a) the initial recognition of goodwill; or
- (b) the initial recognition of an asset or liability in a transaction which:
 - (i) is not a business combination; and
 - (ii) at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss).

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled and their measurement also reflects the manner in which management expects to recover or settle the carrying amount of the related asset or liability.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

DIAMOND VALLEY BASKETBALL ASSOCIATION INC
ABN 26 829 370 671

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

Current tax assets and liabilities are offset where a legally enforceable right of set-off exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur. Deferred tax assets and liabilities are offset where: (a) a legally enforceable right of set-off exists; and (b) the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities where it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur in future periods in which significant amounts of deferred tax assets or liabilities are expected to be recovered or settled.

(b) Property, Plant and Equipment

All property, plant and equipment except for freehold land and buildings are initially measured at cost and are depreciated over their useful lives to the association.

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount. The recoverable amount is assessed on the basis of expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

Freehold land and buildings are carried at their recoverable amounts, based on periodic, but at least triennial, valuations by the directors.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the association commencing from the time the asset is held ready for use.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(c) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(d) Going Concern

The Association's result for the financial year shows a loss after depreciation. The Association made a cash surplus for the year and currently has improved cashflow and profitability. The Association will need to continue to monitor budget and financial forecasts to ensure going concern is not an issue.

ABN 26 829 370 671**

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBER OF
DIAMOND VALLEY BASKETBALL ASSOCIATION INC**

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Development Programs

Our Development Programs expanded greatly for DVBA in 2022 with the ability to run programs for all ages and skill levels in our new stadium. We rebranded our entry level program as Lil Eagles, moving away from Aussie Hoops to strengthen our brand in the community and create a connection to our Eagles name. We mirrored each program with a Holiday Camp, to gauge interest and give participants and opportunity to get a taste of the program before committing. Our Youth in Basketball participants took to the courts as well and were a major part in lifting the number of coaches on the floor with the players.

In 2023, we will introduce the Domestic Skills Program, giving domestic players the opportunity to upskill with an extra training session focused on skill development. Eagles Academy continues to focus on our rep development, Lil Eagles introducing new players to the game from the age of four and Flight School prepares our new U12s group for their first rep trials.

Lil Eagles

Lil Eagles launched in its new form and saw a great drive through from the program to our clubs in the U8s competition. Under the watchful eye of Raquel Connell, fun games and skills were introduced from ages 5-10, with the majority of participants around 5-6 years old. We also created a Girls Only version of Lil Eagles, which was a great success to introduce tentative girls to basketball.

Term 4	30

Development Programs

Eagles Academy

The Eagle's Academy was launched in Term 2 for the first time in its early morning training format. Our JRDOC went through elite level drills focused around Basketball Victoria principles for our Junior Rep players. The timing of the sessions was clearly a deterrent, with training times changing to afternoon sessions in 2023.

Term 4	

Flight School

After the resounding success of Flight School in 2021, the program opened its doors again in 2022 to better prepare athletes for their first-time trialing for the Eagles Program. This program led to the Eagles U12s having the greatest turnout in years for Junior Rep trials, translating into 12 teams across the age group.

Flight S	Registrations
Term 1	
Term 2	73
Term 3	66
Term 4	

Camps

Holiday Camps had a great turnout for 2022, with all camps being held at Diamond Valley Sports and Fitness Centre. A lot of new camps being introduced to cater for all skills, ages and styles of play. Camps ranged from a full 6 hour day with lunch included or a 3 hour half day camp.

Keeping a friendly and fun nature for these camps was at a premium for the coaches and the overall experience for the players. The coach/player ratio was kept high so that each player felt they were getting individual feedback and support.

Thanks to all our coaches who help either run the camps, they did an amazing job.

Junior Championship Report

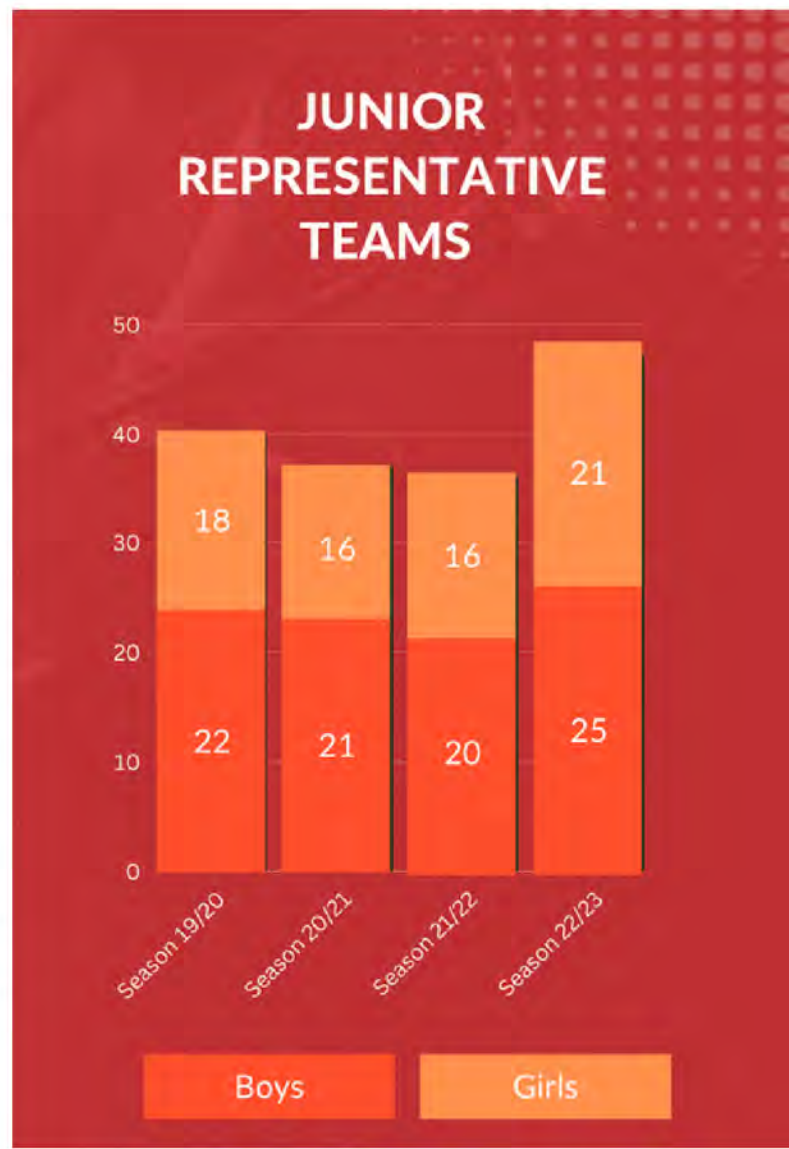

Junior Championship continues to build at DVBA with the registration of 45 teams in the VJBL competition, an increase from 36 in the 2021/22 season. Tryouts saw a record number of over 750 players register for positions in the DV Eagles program which is a testament to the view of rep basketball within our community.

We restructured several of our internal positions to ensure we have the capacity to support, mentor and upskill all of our members from players, families and a coaching perspective.

As part of this restructure we will be changing the position of our Junior Representative Coaching position to better align with our future objectives. We wish to thank Dylan Theis for all his hard work at Diamond Valley.

His effort and passion supported the players and the program through a tough Covid time, by offering training and support online and was available to all players and parents at any time. We wish him all the very best of luck in his coaching endeavors which he deserves.

Matt Shanahan now joins DVBA as the new Junior Representative Director of Coaching, Matt comes to DV with a wealth of experience, as the current Basketball Victoria Metro Under 18s State Head Coach and Development Program (SDP) Lead Hub Coach. Matt will be a great addition to the DV team and will lead the way for coaching and athlete development in the bustling junior representative program.

Senior Domestic Report

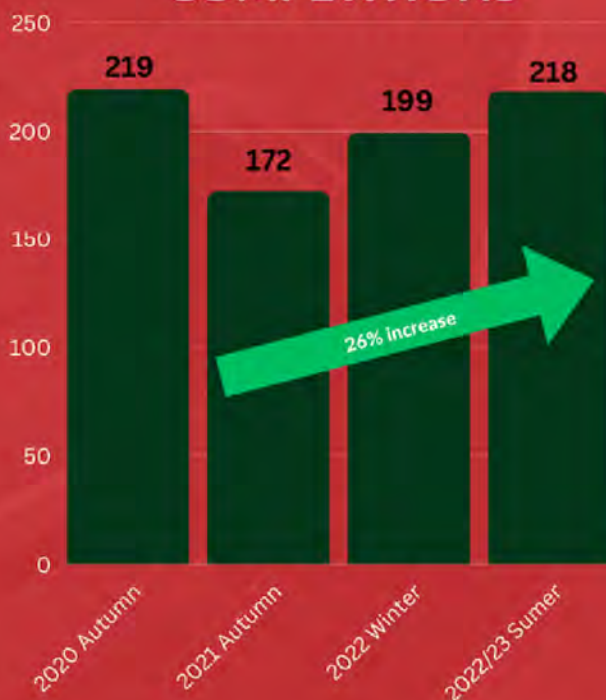

The Diamond Valley Basketball Association has seen significant growth in its Senior Domestic program, providing more than 1500 players with the opportunity to remain active, socially engaged, and continue playing the sport they love.

Since the change of season dates to align with Summer/Winter instead of Spring /Autumn, and the return to Diamond Valley Sports and Fitness Centre, we have seen a increase of teams return to DVBA and stay ongoing.

Since Covid in 2020, Senior Domestic Teams have increased by 26% in the last 2 years

HIGHLIGHTS AND GREAT ACHIEVEMENTS FOR 2022

U14.1 GIRLS WIN BRONZE AT NATIONAL JUNIOR CLASSIC

U14.3 GIRLS WIN GRAND FINAL

U16.1 GIRLS WIN GRAND FINAL

Technical Officials Report

Our aim in 2022 was to get our referee numbers up so that we can remove the age group byes, take back refereeing of under 8 games from the Clubs and reduce the number of solo referee games. Of course we also needed to prepare for the likely increase in the size of the competition in 2023.

In 2022 we ran 4 large beginners referee courses which has so far added 62 C grade referees. We completed the third week on court for our current batch of Green Shirt referees prior to the Term 3 school holiday break and we have a wait list for the first beginners course scheduled to run in early 2023.

Our aim now is to improve the standard of refereeing which understandably is bottom heavy. Over the last 5-6 weeks of the year in 2022, we selected a number of games where we provided full referee coaching for referees. Referee coaching will continue as part of our normal referee program.

Referees progress at different paces. Generally, the stronger referees will get through to C grade with 6 weeks on court with referee coaches. We offer the stronger Green Shirt referees the opportunity to referee senior domestic games alongside a senior referee which helps in their development. With the ones that withdraw from the green shirt program, it is predominantly that they realise it's not for them.

We have also started our next B grade referee course (2nd for 2022) which included referees that passed courses early in the year as they have now been striped referees for in excess of 6 months. We also ran an A grade referee course where 2 referees have so far passed.

The highlights of the program in 2022 include:

- Grown our referees' numbers from 135 to 185 (increase in over 37%).
- We are now officiating 270 games every Saturday with only 2 or 3 of those games with one referee
- 8 junior panel (Friday night) referees now representing Diamond Valley
- A huge number of apprentice / green shirt referees continuing to be developed
- Our referee numbers are the envy of all other Associations

Ian Pike, Referee Administrator

2022-120 new green shirt participants (90 promoted to C Grade throughout the year).

3 Beginner Schools.

Solos down from 38% Feb 2022 to 2% by end of 2022.

46 new green shirt participants in 2023 already.

SENIOR CHAMP REPORT

Youth Champ Women

MVP - Jayde Popovski

DPOY - Genevieve Broadbent

Coaches award - Tessa Coen

In 2022 the Youth Championship Womens team finished with a 10 win and 12 loss record. Angelka Coter led the team for the second consecutive year and after a hot 6-0 start, they found it hard to progress from there. Gel decided to step away from her role at the end of the season after an amazing career as Diamond Valley coach, often coaching multiple teams in a season. Stepping up to assist the club taking the Youth League team in 2021, we cannot thank Gel enough for her generosity, time, and dedication to improving the program, players and coaches at Diamond Valley. We also thank Scott Smith who dilligently assisted Gel throughout the year. 2022 sees Jade Popovski, Demi Albon and Annaleise Driscoll age out and head to America for college, we wish them the best of luck.

Corey Michailidis, joined with DVBA as head coach and brings with him a wealth of experience and enthusiasm to guide our Youth League team to new heights next season.

Youth Champ Men

Season 2022 Awards Winners

MVP - Erik Kafritsas

DPOY - AJ Magbegor

Coaches award - Matt Baggio

The Youth men were led by first year coach at Diamond Valley Mike Torres, and his impact on the program was immediately felt. Dan Girolami was lead assistant and did an amazing job, along with Jamie Gunn as Team Manager. The team finished 4th with a 12-10 record and progressed into the playoffs, going down to eventual Runners up Ringwood. The team were explosive, exciting and saw many future stars take the court, like DV junior Erik Kafritsas and AJ Magbegor, who both received All-star five and Defensive Player of the Year honors.

Youth League Champ

SENIOR CHAMP REPORT

NBL1 Men

Season 2022 Awards Winners

MVP: DJ Vasiljevic

Defensive Player: Ngor Manyang

Coaches Award: BJ Symons

The NBL1 Men coached by Grant Wallace narrowly missed on finals, going down to Frankston in the last game of the season which pushed them out of contention. DJ Vasiljevic showed out all season with All Star 5 honors, and the team looked to build for season 2023. Grant finished up at DV at seasons end, with Trevor Lee returning to the fold to coach the men in 2023. Trevor comes with a wealth of experience from grassroots coaching through to semi-professional coaching and playing. We are excited to have Trevor back on board after a 10 year Eagles hiatus and look forward to the 2023 season.

NBL1 Women

Season 2022 Awards Winners

MVP: Sophie Burrows

Defensive Player: Eliza Bannan

Coaches Award: Sophie Byrnes

The NBL1 Women were led for the first time by returning coach Dee Butler. It was a tough season for the team, with three players going down with ACL injuries, putting the season behind the eight ball from word go. The team battled through and resturcutrd line up will see them back better than ever in 2023.

The connection from our juniors to seniors still resonates strongly at DVBA. Over half the NBL1 squads are loaded with junior talent, with the likes of DV lifers like Ben Allen, Matt Reynolds, Erik and Lucas Kafritsas, Sophie Burrows and Eliza Bannan. With team of the week being presented to clubs, each club is represented at least one game throughout the season to get involved and create a strong connection with our programs.

NBL1

Youth in Basketball

We couldn't be prouder of the Youth in Basketball Program and the outstanding accomplishments of our talented young community.

Throughout the program, we witnessed remarkable transformations and achievements that have left a lasting impact on our 60 participants. Here are just a few of the highlights:

- Dozens of Coaches, Referee, and Scoretable Accreditation costs covered

- Induction of more than 20 new referees into the game direct from the YIB participants

- Dozens of new coaches taking active leads on the court via programs

- Exciting work opportunities for as game day staff

- Engaging Resume Writing workshops

- An inspiring Two-Day Summit with incredible guest speakers

We would like to express our deepest gratitude to Vic Health for their incredible contribution and funding that made this program possible.

A heartfelt thank you also goes out to Jobs Victoria, Craig Eastwood, Ben Jenkins, Brianne Keogh, Nillumbik Council, Natasha Newton, Dr. Gaylene McKay, Zoe Carr, Rob Coulter, Marian Merrigan, Jordan George, and Kaitlyn Fawley for their unwavering support and dedication to the success of the Youth in Basketball Program.

3x3 Tournament

Diamond Valley Basketball's first ever 3x3 tournament took place, with over 100 teams joining up to compete for cash prizes. The tournament was a resounding success, with amazingly positive feedback over the two days which included dunk contests, 3 point shoot outs and MC covered finals games with the grand stand pulled out to showcase.

Every game was covered by DVBA Referees who did a great job officiating the 316 games. With the first tournament being such a success, DVBA will look to hold another multiple tournaments a year and help teams qualify for the state 3x3 tournament run by Basketball Victoria.

Thank you to Three Thirds Group for supplying the prize money for the event and their overall support of 3x3 at DVBA.

Junior Domestic Report

Our Clubs and volunteers continue to do amazing work for our Junior Domestic competitions. The growth has been a challenge, but our amazing work in our referee department, front office and volunteers have made it possible to minimize the amount of solos on games, age group byes and travel from venues.

We continued to provide Coach development and support for all our amazing 20 clubs, with four community and club coach accreditations being hosted at the stadium.

Our Community Development Manager Raquel Connell continued her visits throughout the year, upskilling domestic coaches with training visits, game day visits and coaching workshops. This dedicated resource for domestic clubs is a unique and important part of what DVBA provide as a value add for our volunteers.

Admin Training Series

Throughout 2022, we held our Administration Training Series for our community. Covering topics such as PlayHQ, governance and financial planning, the webinars had special guests that presented online to our registrants. We had over 50 volunteers gaining free upskilling to help them make their clubs better.

Presidents Forum

Quarterly Presidents forums saw all our president get together online and share each others challenges and wins. The meetings always highlighted the shared challenges of our clubs and enabled them to share resources and ideas.

Junior Domestic Sub Committee

The JDCC met twice in 2022, discussing and voting on key topics for the domestic competition. Led by Matt Stewart, DVBA's Operations Manager, the JDCC were able to work through key topics and prepare clubs for any major updates to the logistics of the competition. Thank you to the delegates, Andrew Williams and Stephen Martorella for being a key part of the JDCC subcommittee.

JUNIOR DOMESTIC TEAMS IN COMPETITIONS

Media and Marketing Report

DVBA use social media platforms to communicate, promote and engage with our members and the wider basketball community. Facebook & Instagram remain our focus to push information and engaging content. With more resources in the future, we hope to grow to other platform such as TikTok to engage with younger players, Youtube, to showcase videos and highlights, and LinkedIn, to promote our business. The Ascender is our monthly newsletter that goes out to over 2,000 of our database which brings news and updates everyone. Our website continues to draw in massive hits on a weekly basis, with a planned rejuvenation In 2023.

Sponsorship Report

Another amazing year for our sponsors, with more engagement, support and investment than ever before showing an increase of sponsorship in 2022 by 50%.

Jasco Consulting continue to be our long term partner and naming rights sponsor of our NBL1 teams. A huge thank you to Jason McClintock for his generous support.

Coast to Coast continue to provide great apparel and items for our community, with more and more people being seen around the stadium decked out in Eagles merch.

Allegra Interiors came on board in 2022, being the major sponsor of our Junior Domestic program. Chris and the team at Allegra continue to support community basketball.

Aligned Leisure and Jumpshots are a key stakeholder of DVBA, providing our basketballers with unique and world class facilities to improve their game. Ecodymanics show up every year to assist with all round support for our club, a special thank you to Chris and Michelle Wearne for their support.

To all our other amazing sponsors, we thank you for your assistance and continued support and investment in Diamond Valley basketball. Thank you to, Quest Hotels, BHT Partners, Dysons, 3J BYDJ, Greenhill Engravers and DV Nutrition

ENGAGEMENT

History and Awards Committee

The History and Awards committee continue to meet on a monthly basis, putting forward new Life Members for the first time in a long time at DVBA.

The committee recommended four new members to the board this year including Lyn McClintock, Mike Kapnoullas, Deb Keogh and Lorraine Kapnoullas (posthumous), awarding their life memberships at a ceremony during an NBL1 game this year.

Congratulations to our new life members, and thank you to the History and Awards committee, chaired by Brian Harvey.
